

MISSION STATEMENT

The Mission of Mitchell Road Christian Academy is to equip children of Christian parents through a Biblical Worldview education to become Christ's ambassadors of redemption.

STUDENT PROFILE

It is the mission of Mitchell Road Christian Academy to equip students to become Christ's ambassadors of redemption. We recognize that all students are made in the image of God but marred by sin. It is only by the grace of God that students will be transformed into Christ's ambassadors of redemption. God has communicated His passionate and active will for reconciliation to us through His revealed plan of redemption. God's character has been revealed through the absolute truth of His word and His creation.

- Students who have been redeemed by God will **pursue reconciliation with God, others, creation, and themselves** (Redemptive Relationships).
- Students will **exercise wise stewardship and responsibility over all of God's creation** (Stewards of General Revelation).
- Students will **reflect God's absolute truth throughout all forms of communication** (Truth Based Communicators).
- Students will **consistently and critically apply Biblical Worldview truth to what they believe about the world, man, and God and why they believe it** (Worldview Christians).
