

MIRCA

MITCHELL ROAD CHRISTIAN ACADEMY

Mission Driven Enrollment

Mission driven enrollment is the framework by which admissions decisions are made at MRCA. Families who agree with and support these ideas will be considered for enrollment.

1. Mission and Purpose Centered

The mission of Mitchell Road Christian Academy is to partner with Christian parents to equip children to become ambassadors for Christ through academic excellence and an integrated biblical worldview. The purpose of MRCA is to provide an academically excellent education and to train children of Christian parents in preparation for a life of fellowship with God and obedience to His Word, thereby resulting in service to man and loyalty to their country. MRCA endeavors to complement the home and the church in promoting students' spiritual growth, academic training, physical growth, and social development. This is accomplished by teaching that all truth is God's truth in each subject area studied and that Jesus Christ is the center of all learning and living.

2. Family Values Oriented

MRCA seeks to bolster the work of the family, support the Bible's teaching on marriage, and emphasize traditional values such as hard work, humility, perseverance, etc. Agreement with and abiding by the values set forth in the Statement of Faith & Conduct (found in the student application) and a parent's testimony are requirements for a partnership with the school.

3. Academic Distinction

MRCA provides students with a challenging environment where they can work toward their academic potential with discipline and integrity. The school partners with parents who understand the importance of empowering their children to take responsibility for their work and will support the school in these endeavors.
