

We are so excited for our 2020-2021 school year and honored to have your children in ACE. Here is some information about our staff.

Mrs. Smith has over seven years of preschool and substitute teaching experience. She loves reading, cooking, hiking, her dog, Snoopy and two cats, Simba and Luna.

Mrs. Campos is a mother to two beautiful children, Elizabeth and Paulo. She enjoys reading, traveling and spending time with her family.

Below is a brief overview of a typical day:

- Put away bags/belongings/lunchboxes
- Outside or indoor play depending on the weather
- Wash hands
- Lunch
- Clean up lunch and make up mats
- Rest time - While naptime is optional we do require the children to stay on their mats for the first 45 minutes. I have found that majority of the kids end up falling asleep. The ones that do not sleep are able to get up from their mats and do a quiet activity at the table. This usually consists of coloring, reading, or puzzles.
- Weekly Bible lesson plan with correlating craft, game, and/or activity.

Things your child will need for ACE:

- Water bottle - labeled with your child's name
- Lunch - please provide a meal for your child from home. They may order in the morning with their teacher or bring a meal to be put into the warmer. Please be sure to label the heat up with your child's name and "ACE".
- Small blanket
- Buddy/stuffed animal

Please refrain from sending your child to school with toys from home. We have plenty of fun toys here at school and do not want personal items to become lost or damaged.

As always, please feel free to contact me with any questions or concerns you may have. Thank you so much!

Meg Schuerman
