Parents Please Read Carefully :

Working closely with our Physician we have decided to allow my child to self-administer and self-monitor the above medication while at school. My child has been trained by our physician and has demonstrated competency in this procedure. My child must be allowed to possess this medication at school, during school-sponsored activities and field trips, and during before or after-school activities on school property. I realize Mitchell Road Christian Academy cannot be held responsible for any adverse outcome of this action. I am responsible for replacing expired medication before the expiration date. I will provide the medication in the original container, clearly labeled with my child's name. I will notify the school immediately if the medication is discontinued or the dosage has been changed. Permission is granted to the principal and/or school nurse to share this information with individuals who have responsibility for my child. The first dose will be given at home so that I can monitor adverse reactions. I give the school my permission to contact the physician's office to request medical information concerning my child.

Parent/Legal Guardian's Signature _____ Date _____

Physician Please Read Carefully:

I agree that this student must be allowed to have the above named medication on his/her person at school, during school-sponsored activities and field trips and during before and after-school activities on school property. This child has demonstrated competency in self-monitoring and self-administration of this medication. The parent is aware that they can not hold the MRCA responsible for any adverse outcome of this action.
